Primary Student Uniform & Presentation Policy

Introduction

Students are required to wear all aspects of the College uniform neatly and according to the published uniform regulations of the College. Personal grooming will be of a high standard at all times.

Implementation

Ilim College is proud of its uniform as it represents a sense of belonging to the school community. A note from a parent / caregiver is always required if a student is not in correct uniform (to cover a short period of time). The explanation must be of a reasonable nature. In some circumstances, the parent / caregiver may be contacted and the student sent home to rectify the problem. Students will receive a consequence if they attend school wearing incorrect uniform without a note from a parent / caregiver.
