## Understanding our College Ethos

[ilimcollege.vic.edu.au](http://ilimcollege.vic.edu.au)

In anticipation of your visit, you will find information below which will assist you in understanding the ethos of our college. We trust that this information will assist in preparation for your visit.

At Ilim College, we believe that education is not only about academics but also about character development. As such, we have integrated Islamic Values and teachings into our curriculum to create a holistic learning experience for our students.

One of our key objectives is to instil a sense of identity and pride in our students as Muslims. We do this by providing them with opportunities to learn about their faith, practice their beliefs, and engage with the wider Muslim community.

In addition to ensuring that content aligns with our College Values, we also have a particular standard of dress, in line with our Islamic dress Code. In Islam, both men and women are expected to dress simply, modestly and with dignity. Here are some guidelines for your consideration:

- Clothing to be loose fitting, unrevealing and modest.
- Non-Transparent fabrics encouraged.
- Tops to have modest necklines, loose fitting pants or long skirts/dresses are preferred.

We understand that not every visitor understands the nuances of the aspects of the college ethos described above, and as such we encourage you to contact our College at [info@ilimcollege.vic.edu.au](mailto:info@ilimcollege.vic.edu.au) with any specific questions you may have in terms of the content that you intend delivering.

Prior to your attendance please be familiar with our Child Safety and Wellbeing Policy, Child Safe Code of Conduct and Visitors policy found on the Ilim College website <https://www.ilimcollege.vic.edu.au/>

We look forward to assisting you making your visit a successful one.

Kind Regards
